## **REHAB NURSES**

### **Staff and Supervisory Positions**

The San Jose Medical Center is one of the preeminent health care facilities in the San Francisco Bay Area. But our outstanding services can't continue to grow and improve without the most critical pain relievers known to medicine: Nurses.

We seek nurses to help relieve the pain of rehabilitation. Our unique Easy Street program assists patient transition to the community. Our return home rate is a high 90%. Our Acute Rehab Center offers individualized programs for stroke and head injury, and we're currently developing a spinal cord injury service to augment our trauma center.

To qualify for the SENIOR LEVEL, you must have previous rehab experience; CRRN preferred.

ENTRY LEVEL requires an interest in rehab nursing and a strong hospital background.

While you help our patients, we'll help your career with high-level, interdisciplinary teams, peer reviews, very competitive salaries and benefits. Take advantage of this excellent opportunity in our progressive rehab center and benefit from the cultural and recreational pleasures of Northern California. Please send or FAX your resume to Adele Johnson, Professional Nurse Recruiter, Personnel Department, San Jose Medical Center, 675 East Santa Clara Street, San Jose, CA 95112 or call collect (408) 977-4666 for more information.
